Aeon Presents Emergency Disaster Relief Funds
to Support Regions Affected by the 2016 Kumamoto Earthquake

Aeon extends its heartfelt sympathies to all affected by the 2016 Kumamoto Earthquake. Aeon presents Kumamoto and Oita Prefectures with 333,449,314 yen of emergency relief funds as itemized below, including donations collected from customers from April 25 to June 22.

In immediate response to the earthquake, Aeon held a fund-raising campaign (first campaign) from April 15 through April 24 at Group stores and offices throughout Japan. On May 3, representatives of local Aeon Group companies operating businesses in the affected areas visited Kumamoto Prefectural Government Office, and presented a total of 276,069,640 yen combined with the emergency relief funds of 100 million yen from Aeon Co., Ltd.

Following the first donation, Aeon launched a second emergency relief fund-raising campaign, together with a WAON Point donation campaign, from April 25. Aeon presents the funds raised through these campaigns, plus additional donations from Aeon Group companies raised through their Aeon Yellow Receipt Campaigns to support Kumamoto and Oita.

Aeon is deeply grateful for the generosity of people throughout Japan who participated in its campaigns.

Aeon continues to support earthquake-stricken communities through various initiatives in the hope that their residents' daily lives return to normal as soon as possible. Additionally, in the current fiscal year, the Aeon 1% Club plans to assist earthquake-stricken vocational training facilities for the disabled through such initiatives as expanding production capacity and arranging sales channels with the cooperation of Kumamoto Prefecture, the Kumamoto Prefectural Council of Social Welfare.

Donations:

Emergency relief donations (second campaign):	260,064,679 yen
WAON point donations:	4,686,100 yen
Donations to Aeon Yellow Receipt Campaign to support Kumamoto and Oita:	
68,698,535 yen	
	Total: 333,449,314 yen

※ Including donations previously presented on May 3, total donations amount to 609,518,954 yen.
