

June 1, 2020
AEON CO., LTD.
SIGNA Sports United GmbH

Japan's First Sponsored Custom Uniforms
to be Launched Soon
AEON and Signa Sports United GmbH (Germany) formed a joint venture with

Aeon Co., Ltd. (Head Office: Chiba Prefecture; Representative Executive Officer: Akio Yoshida, "Aeon") and SIGNA Sports United GmbH* (Head Office: Berlin, Germany, CEO : Dr. Stephan Zoll, "SSU") for med AEON SIGNA Sports United Co., Ltd. a joint venture in January 10, 2020 (Friday) to operate sports E-commerce in Japan.

Japan's retail market for sporting goods has been growing largely due to increasing health consciousness among Japanese consumers. By forming this new joint venture, AEON will work on integration of SSU's know-how on development and operation of Sports EC platforms and AEON's procurement capability and logistics network in order to pursue further digitalization of various sports business in Japan. The new company will offer the right services and satisfying line of products to those who love sports.

AEON SIGNA Sports United Co., Ltd. will start to offer the following three services in sequence from June 1, 2020 (Monday).

- (1) "*Outfitter*" the first service in Japan which enables customers to order and buy custom uniforms with their favorite logos
- (2) "*Tennis-Point*", services for tennis fan (scheduled to launch in early July)
- (3) "*Probikeshop*" an online store for cycling sports goods (scheduled to launch in late July)

We strive to contribute to development of sports fan communities and improvement of the health of customers by connecting more sports players through our services.

AEON will continue to maximize the customer satisfaction by creating a comfortable shopping environment, cooperating with various domestic and foreign partners to accumulate the global level IT infrastructure.
