AEON CO., LTD.

**Aeon Presents Emergency Disaster Relief Funds to Support Regions
Affected by The 2016 Kumamoto Earthquake (Second Campaign)**

We extend our deepest sympathies to all those affected by the 2016 Kumamoto Earthquake.

Aeon presents 260,033,679 yen collected through the emergency disaster relief fund-raising campaign held from April 25 to May 31 to Kumamoto Prefecture and Oita Prefecture.

Immediately after the earthquake, Aeon held a fund-raising campaign for the emergency disaster relief (first campaign) from April 14 to April 24 at Group stores and offices throughout Japan. On May 3, a representative from the Group company operating businesses in the affected areas visited Kumamoto Prefectural Government Office, and presented a total of 276,069,640 yen combined with the emergency relief funds of 100 million yen from Aeon Co., Ltd. Following the first donation, the funds collected through the campaign as the second donation is to be presented.

Aeon prays that the disaster-affected people can resume their normal lives as early as possible. We take this opportunity to thank the many people throughout Japan who warmly supported the fund-raising campaign.
