“The Heavy Rain Event of July 2018” in western Japan**

We would like to express our heartfelt condolences to everyone who was affected by the record breaking torrential rains mainly in the western Japan area.

In hoping for an early recovery of the disaster-affected areas, Aeon will carry out emergency disaster relief fund raising at group stores nationwide.

Relief activities are still being ardently carried out in the areas devastated by the torrential rains. Based on requests from each local government, Aeon is also delivering relief supplies such as beverages, rice balls, blankets etc.
