Furthermore, in response to requests from local governments, we have delivered approximately 660,000 items of relief supplies—including food, beverages, and daily necessities—since the earthquake struck to fulfill our mission as a local lifeline. We are also conducting disaster relief activities in the affected areas, such as volunteer efforts, school lunch support, the installation of mobile temporary ATMs, and the provision of drinking water.

➢ Volunteer Activities

Since August 4, we have been conducting volunteer activities in disaster-affected areas such as Mifune Town, Hikawa Town, and Uki City including operating volunteer centers, visiting private homes, conducting on-site surveys, and delivering relief supplies. a total of 120 people including participants from the federation of labor unions took part in these activities.

➢ In-Store Sales

Starting August 1, we gradually resumed in-store sales—primarily of food items—at AEON Otsu Store, AEON Yatsushiro Store, and AEON Uki Store, MaxValu Shintoshima Store, and MaxValu Uto Store—which had been forced to temporarily suspend operations due to the disaster—began in-store sales, primarily of groceries.

➢ School Lunch Support

From August 28 through September 18, we provided emergency meals—including retort-packed foods and desserts—to approximately 8,500 students at 34 facilities in Yatsushiro City affected by the earthquake. We served about 10,000 meals per day for a total of 176,192 meals in total.

➢ Installation of Mobile Temporary ATMs

To support the recovery of daily life in the disaster-stricken areas where ATM access had become difficult due to the earthquake, we set up a mobile ATM van at the Kashima Town Hall.
We provided financial services such as cash withdrawals and deposits, which were utilized by those affected by the disaster.

➢ Provision of Drinking Water

We deployed water trucks primarily in the Uki and Yatsushiro areas, which were affected by water outages caused by the earthquake, and continuously supplied drinking water and daily necessities.
We supported the maintenance and early restoration of essential infrastructure for residents in the affected areas.

AEON will continue its relief efforts so that those affected by the disaster can return to their normal lives as soon as possible.
